Graduate Program 2027

A guaranteed role upon graduation at one of Australia's leading prosthetics clinics — plus an all-expenses-paid trip to our US-based ForMotion Clinics.

Applications close
Friday, 29 May 2026

We're offering one exceptional graduate a unique opportunity to gain hands-on clinical experience at ForMotion Clinic™ — based at one of our NSW facilities, with exposure to the latest prosthetics and orthotics technologies.

Program Highlights

- 2-year fixed contract commencing in January 2027
- Fully sponsored visit to US-based ForMotion Clinics & the US Össur Academy
- AOPA membership + full expenses to attend the annual AOPA Congress
- Mentoring from a multidisciplinary team with exposure to the latest tech
- Up to 4 weeks temporary accommodation at contract commencement
- Pathway to permanent employment upon successful program completion

Applicant Requirements

- Final year of an Australian university P&O course
- Committed to a 2-year post-graduation contract in NSW
- Australian citizen or permanent resident
- Copy of P&O academic transcripts required
- Application via video submission with résumé, or résumé & cover letter by deadline

Assessment Criteria

- 1 Review of application & academic results
- 2 Panel interview
